Annotated Screenshots

A Book Bag Page

User's Dashboard

The screenshot shows a user's dashboard for "Kristie's Book Bags". The interface includes a header with a logo, navigation links, and a progress bar. The main area displays book bags, recommendations, and New York Times Bestseller lists. A sidebar on the right provides help and user information.

- Logo:** Located at the top left, above the title "Kristie's Book Bags".
- Current location on the site will be shown here:** An annotation points to the "Dashboard" link in the top navigation bar.
- Your Book Bags:** An annotation points to the section where two book bags are displayed: one orange labeled "BOOKS I LIKE" and one grey with a plus sign.
- Create a new Book Bag:** An annotation points to the plus sign icon on the grey bag, explaining that it will prompt for a title and save.
- Progress Bar:** An annotation points to the blue progress bar at the top of the page.
- Username and avatar:** An annotation points to the "Kristie" link and profile picture in the top right corner, noting it shows options for adding a new user.
- Recommendations:** An annotation points to the "SHOW RECOMMENDATIONS BASED ON" dropdown menu, which is currently set to "BOOKS I LIKE".
- No recommendations found:** An annotation points to the message "No recommendations found. Add some books to this Book Bag!" below the dropdown.
- Drop down list of your Book Bags:** An annotation points to the "SHOW RECOMMENDATIONS BASE ON" dropdown menu.
- New York Times Bestsellers:** An annotation points to the "NEW YORK TIMES BESTSELLERS" heading.
- New York Times Bestsellers Lists:** An annotation points to the "FICTION" button in the list of categories.
- Help:** An annotation points to the "Help ?" link in the bottom right corner.

Storyboards

Creating a profile

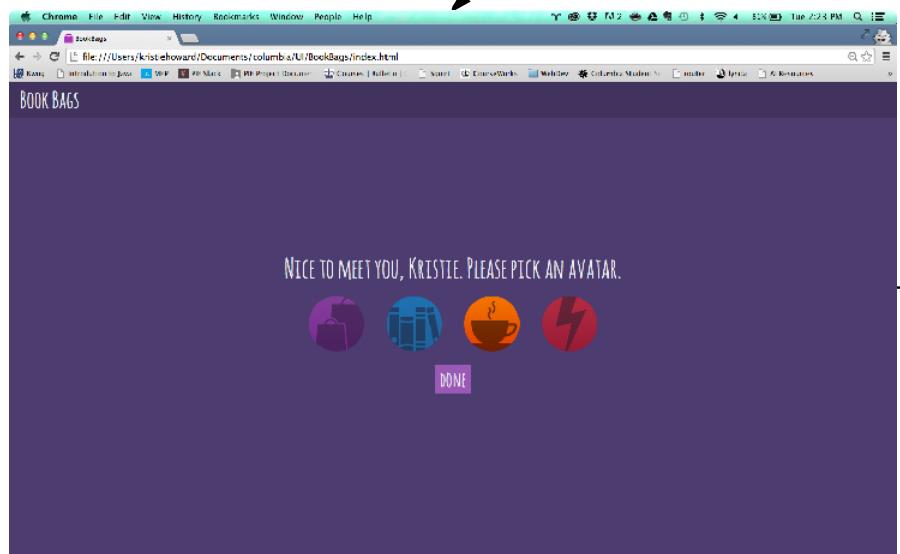

User types in name

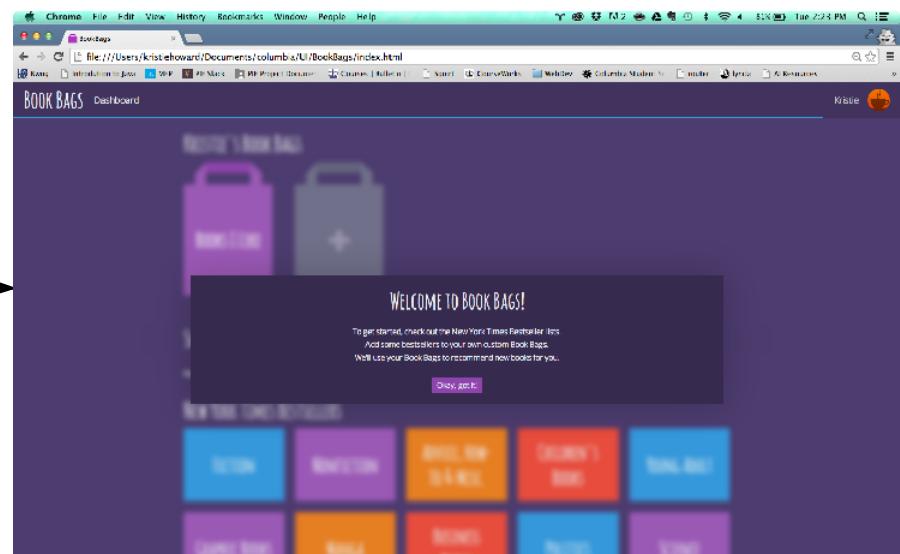

User clicks Next

User selects an avatar and clicks Done

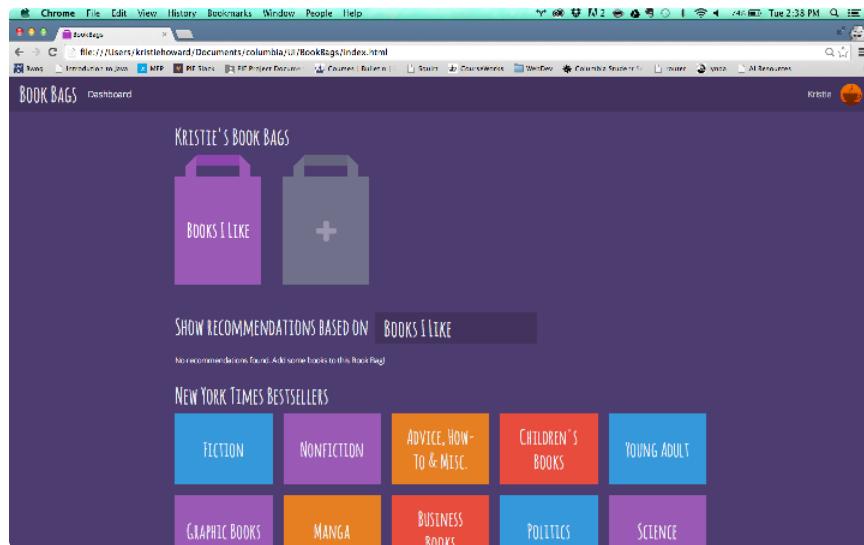

User reads about Book Bags, clicks Okay, Got It and is brought to the home page

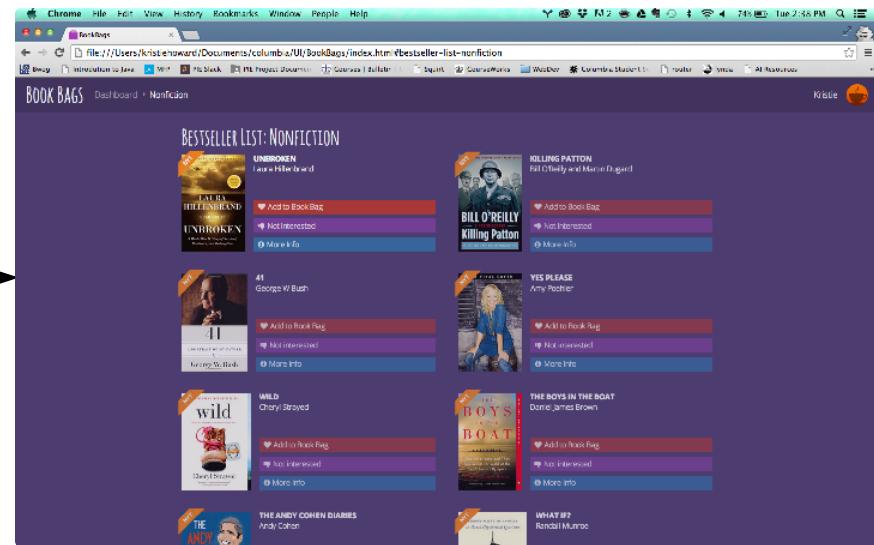

Adding a book to a Book Bag and creating a new Book Bag with a book in it

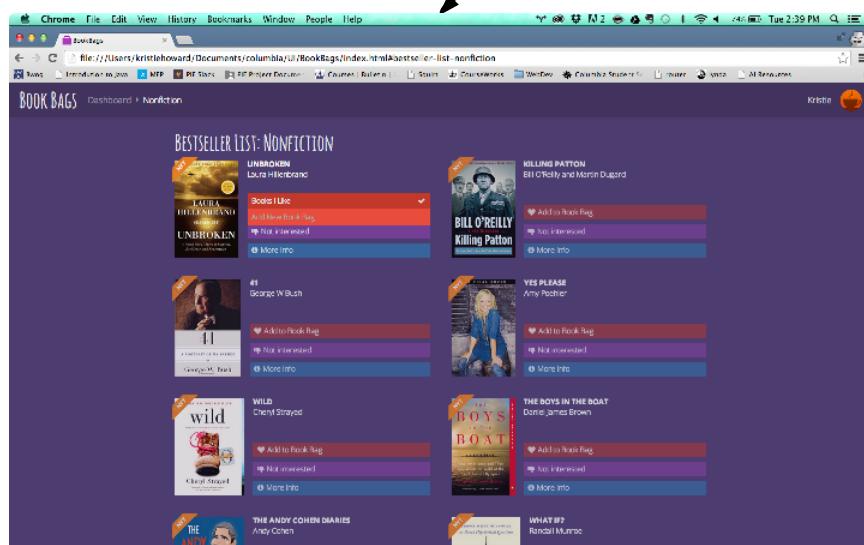

User clicks the Non Fiction Bestsellers list to be shown a list of books that he can add to his Book Bags

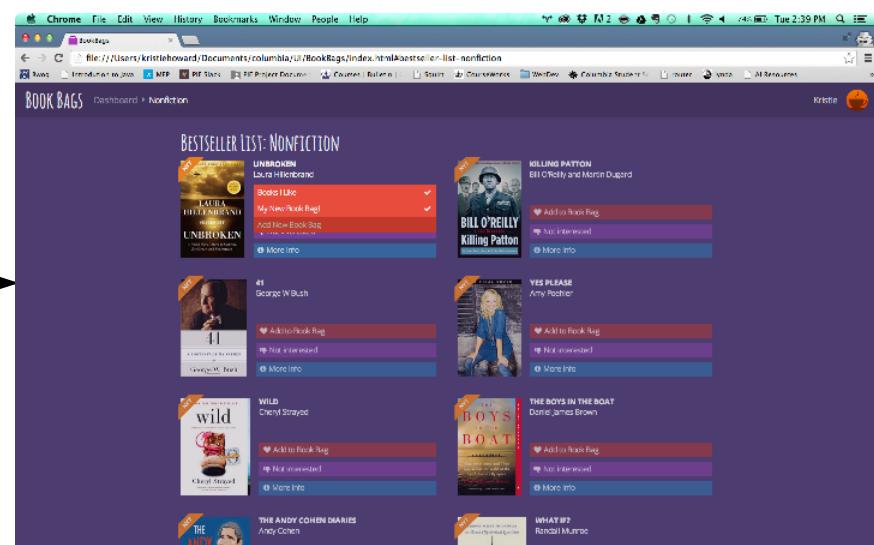

User clicks the red Add to Book Bag button for Unbroken

User sees a list of their Book Bags, and clicks Books I Like to add it to that Book Bag

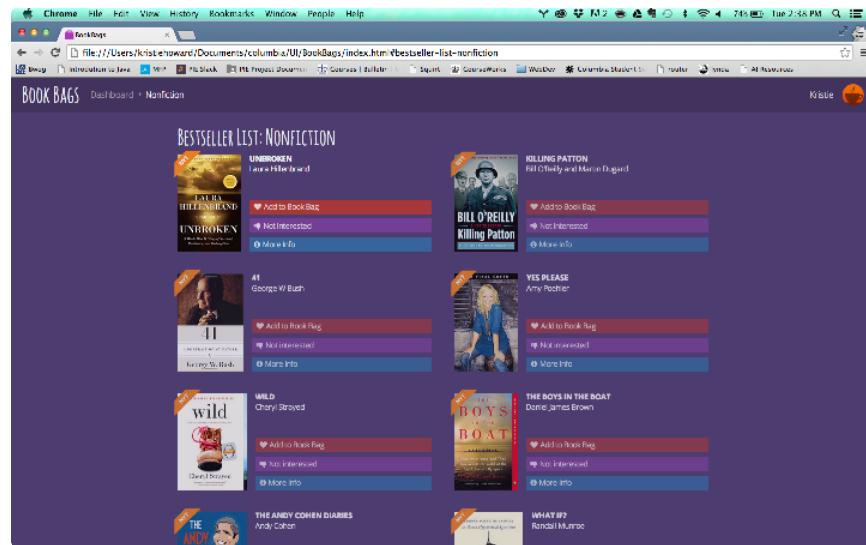

User also wants to start a Book Bag with this book, so she types in My New Book Bag in the Add New Book Bag input box, and hits return to create the new Bag with Unbroken in it

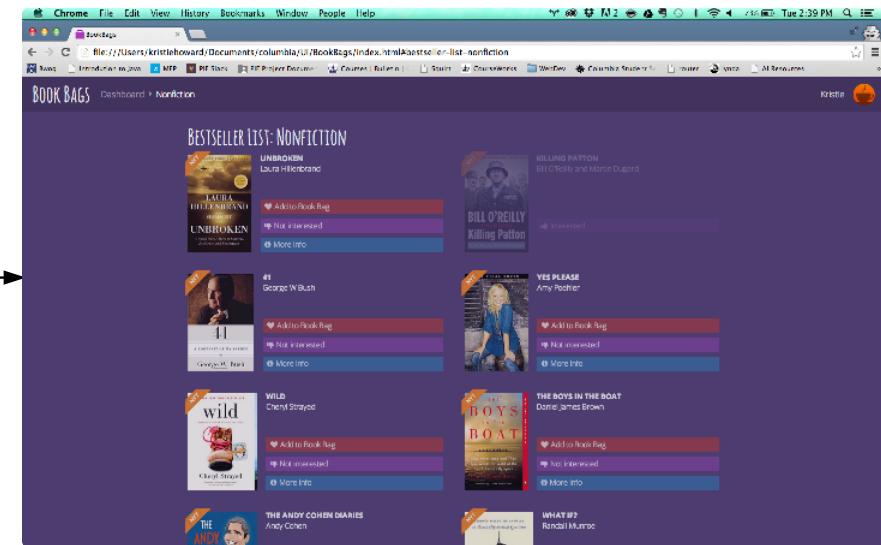

Mark a book as Not Interested, and then undo it

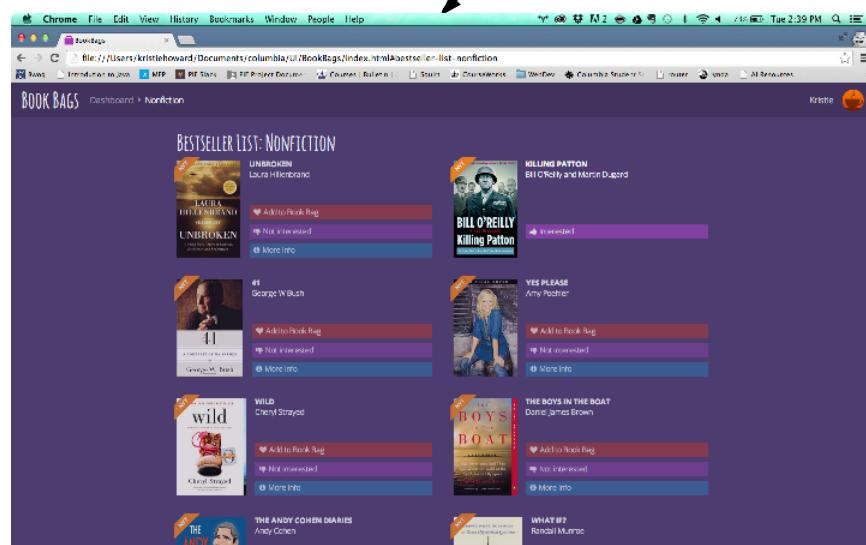

User is not interested in Killing Patton, so she clicks the purple Not Interested button next to the book icon

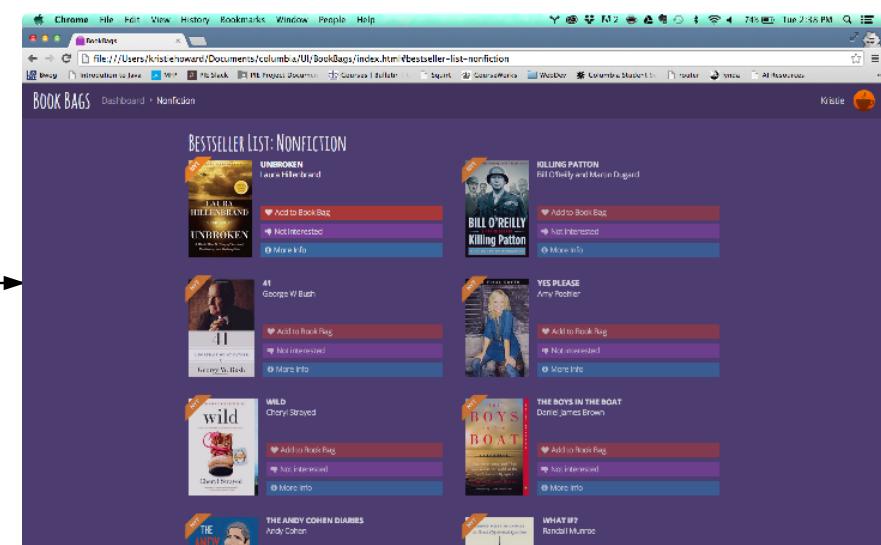

User notices that the book fades away

User realizes she wants it to show up again, so she hovers over Killing Patton, the book fades in, and she clicks the purple Not Interested button

User now notices that Killing Patton is restored to the list like it was before she marked it as Not Interested

Viewing a book's summary line, New York Times reviews, and Amazon link

User wants to get more information about 41, so she clicks the blue More Info button below 41.

BOOK BAGS Dashboard > Nonfiction

BESTSELLER LIST: NONFICTION

Creating a Book Bag

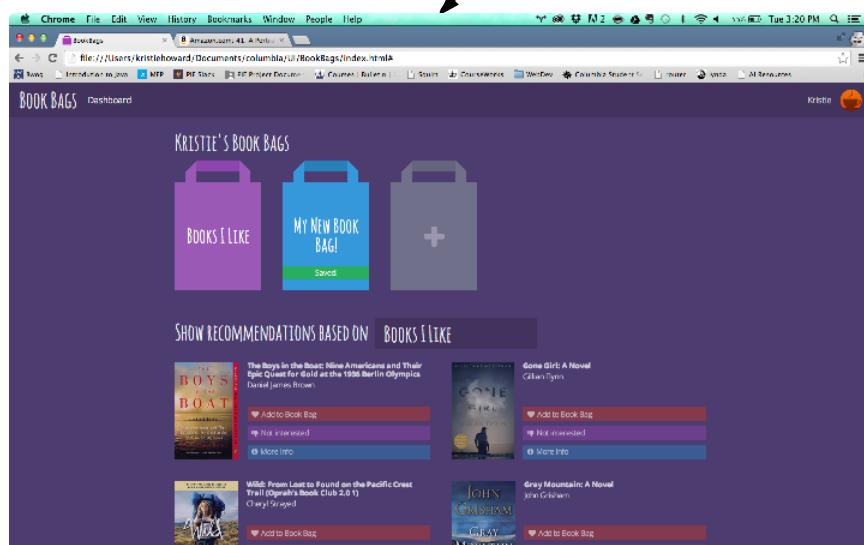

User clicks the gray Book Bag with a + on it

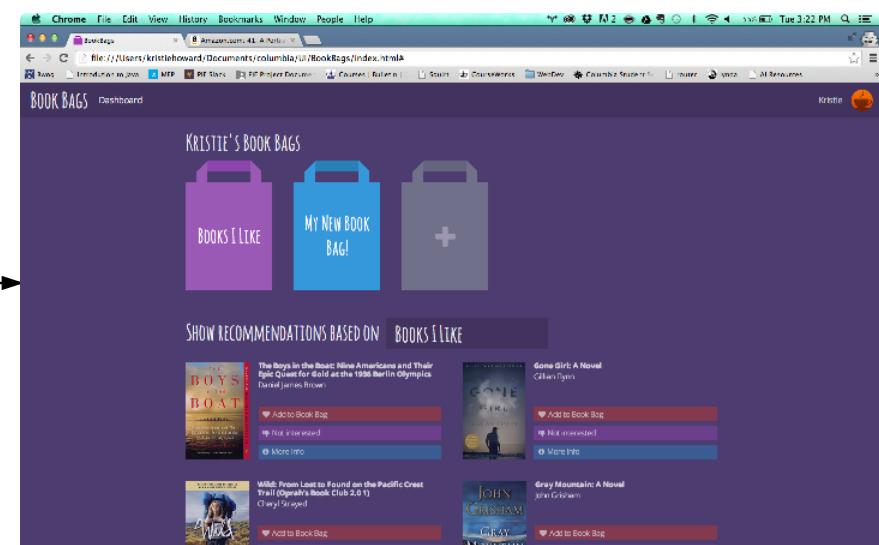

User Types in My New Book Bag! in the place of the highlighted Book Bag Title... text

User clicks the Return key, and sees a green Saved! banner pop up to indicate that the new Book Bag has been created

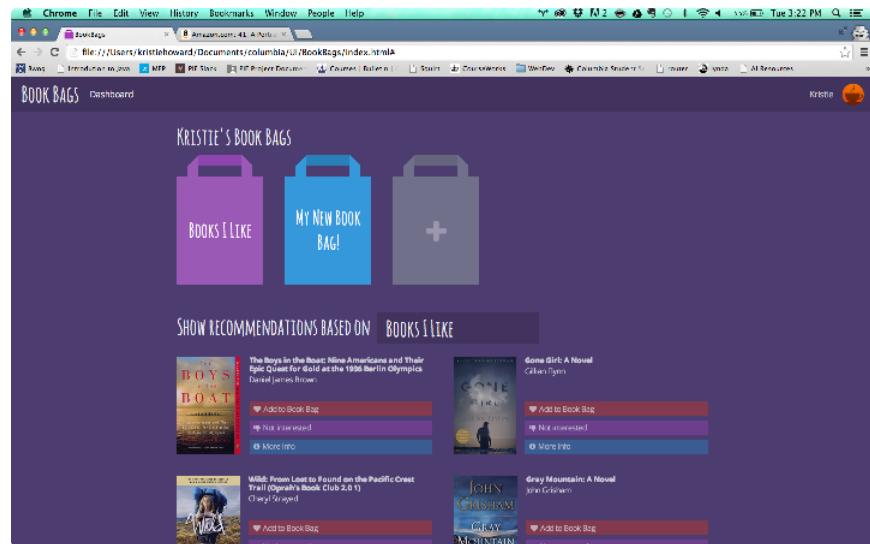

User sees that the Saved! green banner fades, and she's done creating a Book Bag.

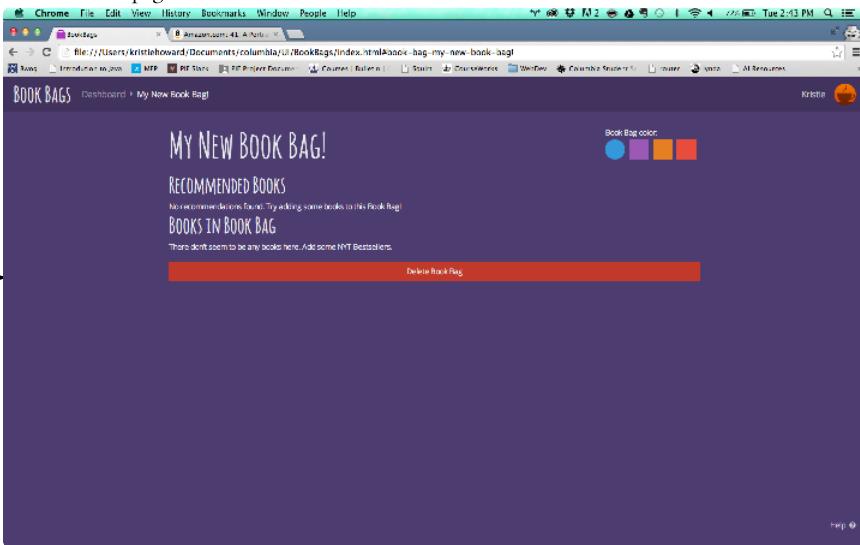

Deleting a Book Bag

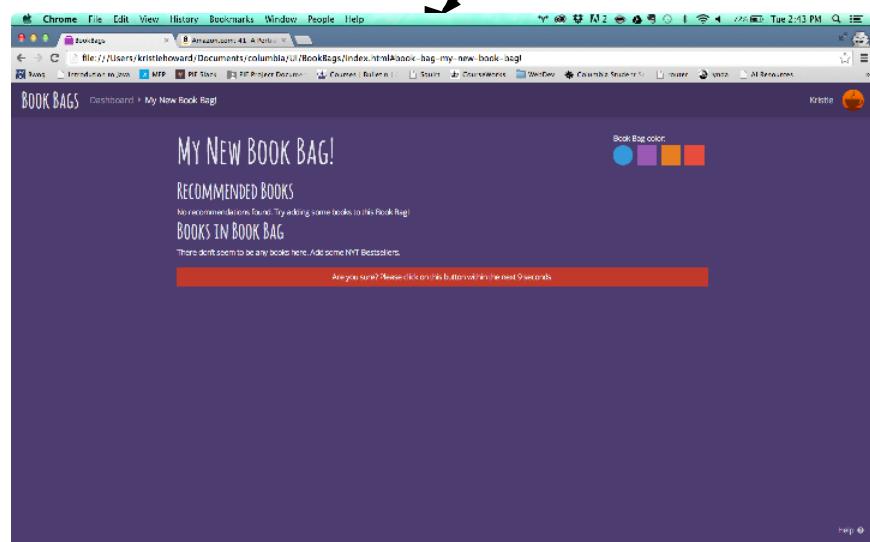

User wants to delete My New Book Bag, so she clicks on the blue Book Bag.

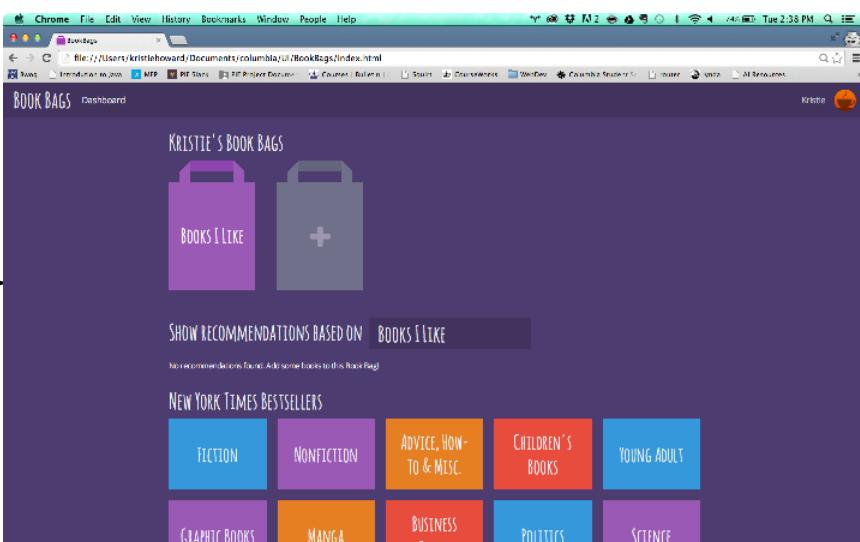

User clicks on the red Delete Book Bag button at the bottom of the Book Bag page. If there are books and therefore recommendations in the Book Bag, she will need to scroll down to the bottom of the page.

User has 10 seconds to click on the now flashing red button to confirm that she would like to delete this Book Bag.

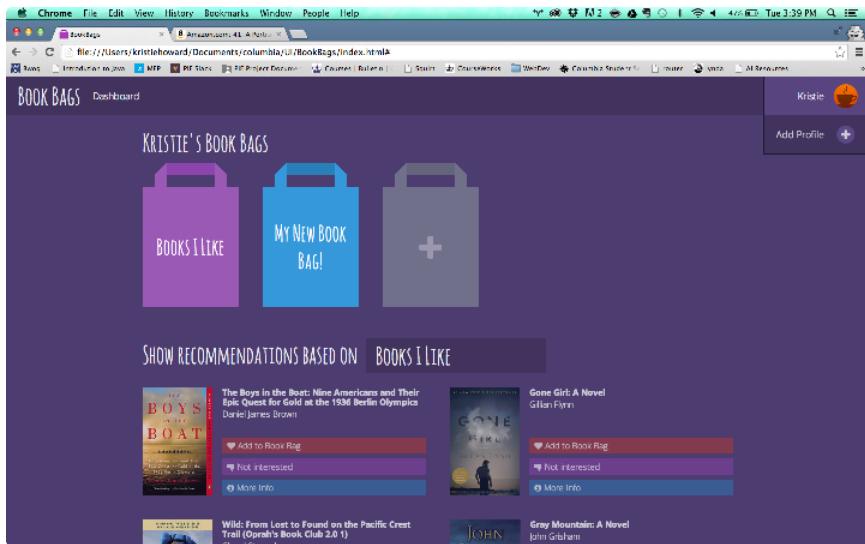

User is returned to the dashboard, and sees that My New Book Bag has been removed.

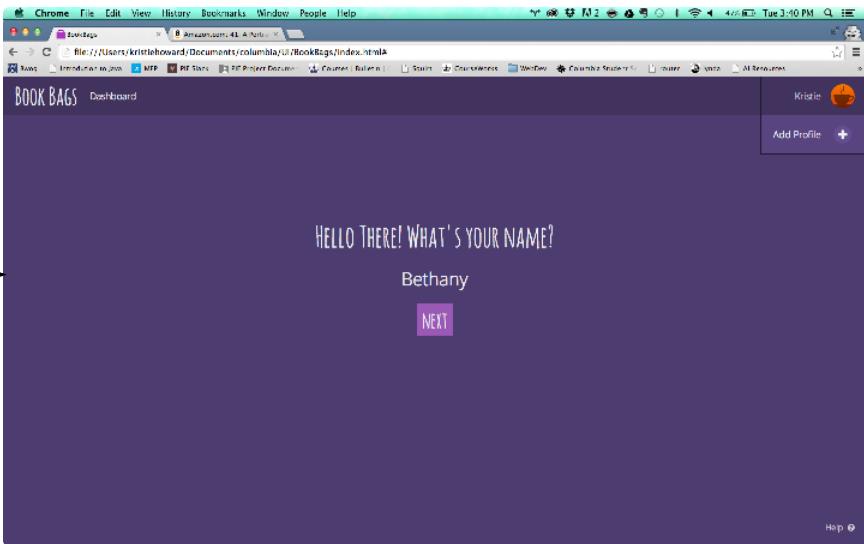

Adding a new profile to your account

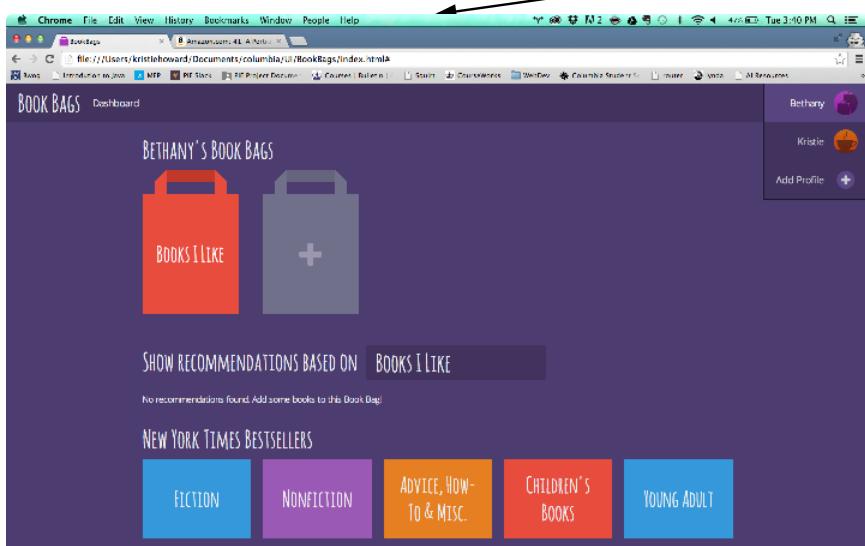

User adds a new profile by clicking on the user icon and avatar in the upper right hand corner and then clicks Add Profile.

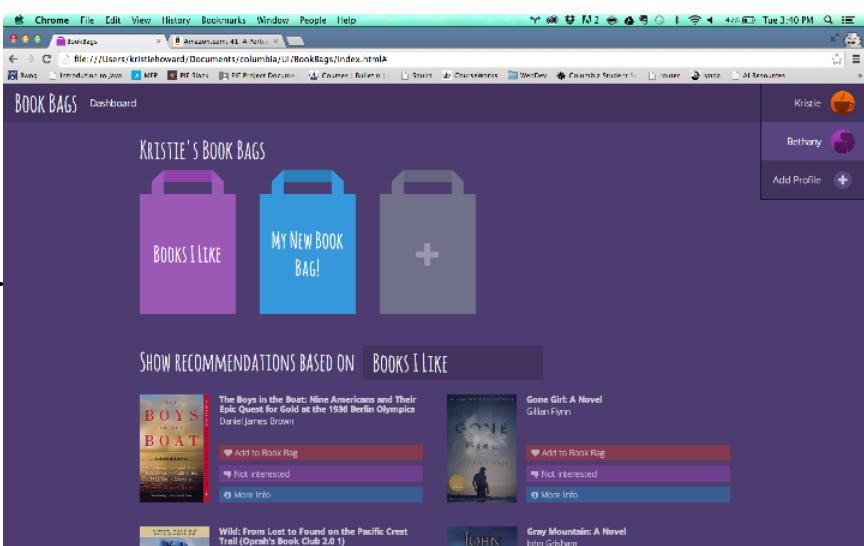

User types in the new name, Bethany, and follows the "Adding a profile" sign in flow from the other user storyboard.

Bethany's profile is created, and is opened with her empty Books I Like bag that is always automatically generated. She clicks on the upper right corner to see that she can go between both profiles, so she clicks on Kristie's again to make sure everything is the same.

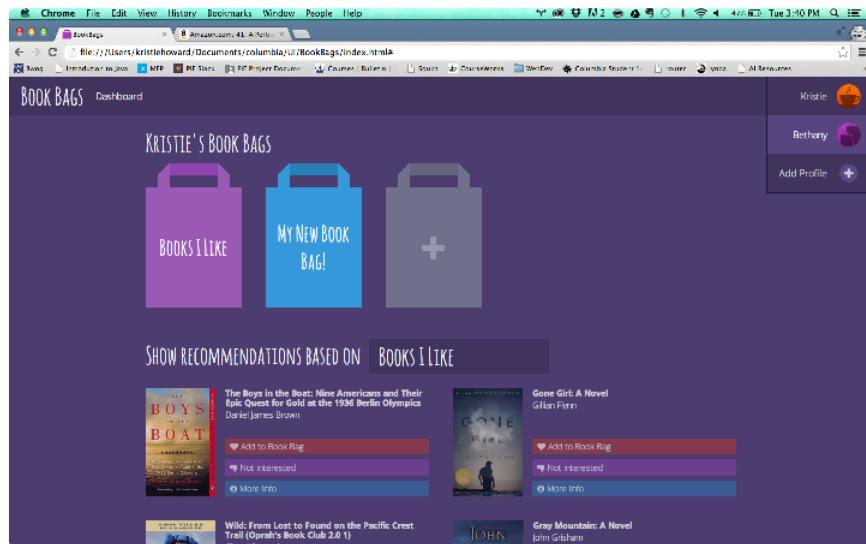

User sees that the original Book Bags and Kristie's profile are left unchanged.

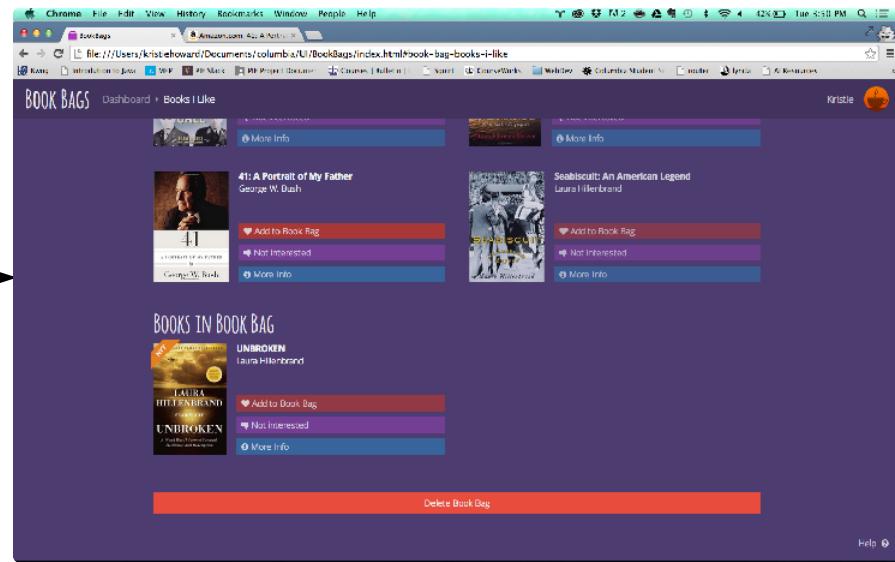

Removing a book from a Book Bag

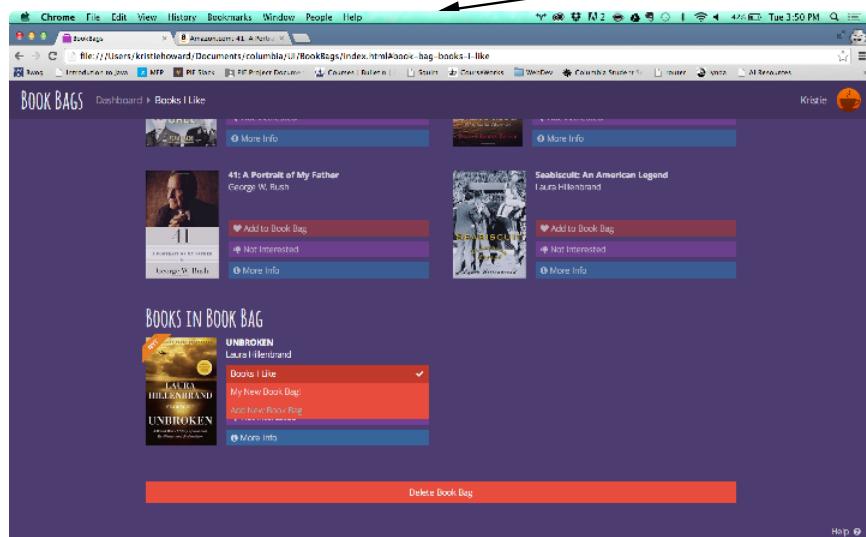

User clicks on the Books I Like Bag to delete the one book in it.

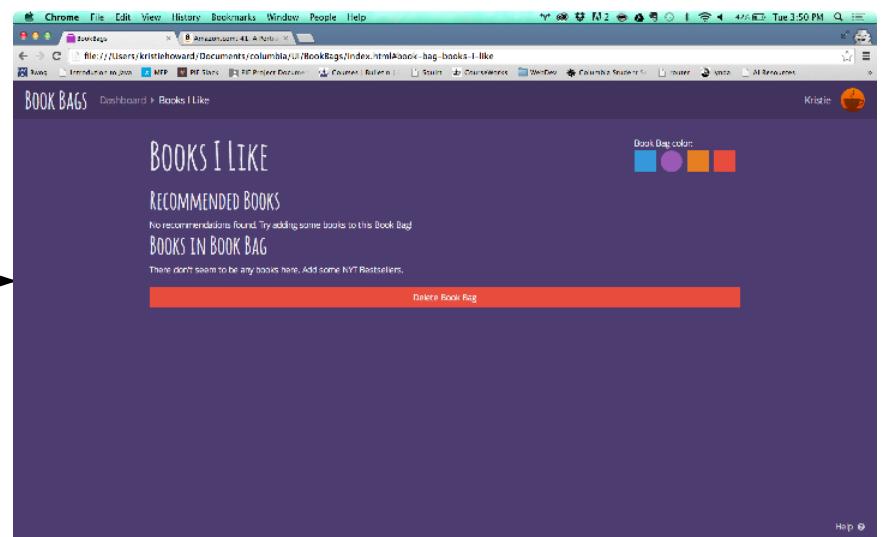

User scrolls down to the Books In Book Bag, and clicks on the Red Add to Book Bag button.

User clicks on the Books I Like bar to uncheck it.

Whenever she visits this in the future she will see that the book has been removed!

Explanation of Symbols, Metaphors, and Colors

“Book Bag” : a collection or list of books, created by the user, which the application uses to generate recommendations

“Profile” : the name and avatar associated with the user’s Book Bags and curated recommendations (multiple profiles can share a single Book Bags account)

“Avatar” : an icon associated with a particular profile

“Dashboard” : homepage for the user to access their Book Bags, view recommendations, and check out the lists of New York Times Bestsellers by category

“Bestseller” : a book that is currently on a New York Times Bestsellers list, which is marked by a gold ribbon

“Bestsellers” grid on Dashboard : lists of New York Times Bestselling books, organized by category

Small icons:

- Heart: add the book to a Book Bag
- Thumbs up: not interested in this book
- Thumbs down: undo “not interested” action on a book
- Circle around an i: get more information about the book
- Question mark: access the help & support section
- Checkmark: indicates which Book Bags a book has been added to
- Plus sign: create new (profile or Book Bag)

Colors:

- White: used for text, including clickable and editable text
- Dark purple: used for the background, header, and dropdown menus
- Bright blue, bright purple, bright orange, bright red: used for interactive elements, including the tiles

representing Book Bags and Bestseller lists; also used for buttons

- Green: used to alert the user when a new Book Bag has been successfully created and saved
- Bright orange-red: used for the Delete Book Bag button
- Bright blue: used for the progress bar

Instructions

Simply open index.html in the top level folder, and begin interacting with the application as desired.

There should not be any issues running the application.
